Our lives are like an album. We each have a beginning and an end. Our lives are sometimes happy and they are sometimes sad, just like the songs on an album. The needle creates a path to follow, never stopping or changing patterns, only pausing between songs. The different songs represent different phases in our lives.

As the song of '82 began, the students felt both excitement and dismay. The Freshman felt scared on their first day of school, hoping they would not get lost. The Sophomores were a bit proud since they were no longer the youngest in the school. The Juniors longed to be a part of Senior hallway, already thinking about their Senior year. The Seniors had finally made it, only one more year to go until they were finished with high school. Even though some were not sure they were ready to leave their high school years behind, they were ready to meet the challenge of their new songs.

This yearbook is to help you to remember the year of 1982. To help you remember the games, pep rallies, parties, clubs, and friends. Soon the Senior's last song will pause and then continue on to a new phase. They will find that each new song is a little more challenging than the last.

So remember, when the needle pauses in life, take time to look back at the last year that the class of '82 spent together. And always remember that "WE ARE THE STARS ON '82".

RON AND DON

It seems like only yesterday

When they were standing there

But they've gone on to another place

Though we are not sure where.

They left behind memories

For us to hold and treasure

It is up to us to remember

All the times we had together.

Don and Ron will always be

Right there by our sides

We can keep them alive in our memories

Even though they have died.

They've been set free from this world

To continue their songs in another place

They've left us behind to go on with our lives

And accept the challenges we face.

Although we'll miss the both of them

Our songs must continue on

But we'll hold onto the memories

Of our lives before they had gone.

A Queen for a Day.

This year St. Henry had a exchange student from Sweden, Marian Oberhaensli. She was in German Club, Art Club, and track in which she participated in the mile, 800 meter run, 110 meter low hurdles, and long jump. We wish the best of luck to Marian and hope she will always have good memories of her year at St. Henry High School.

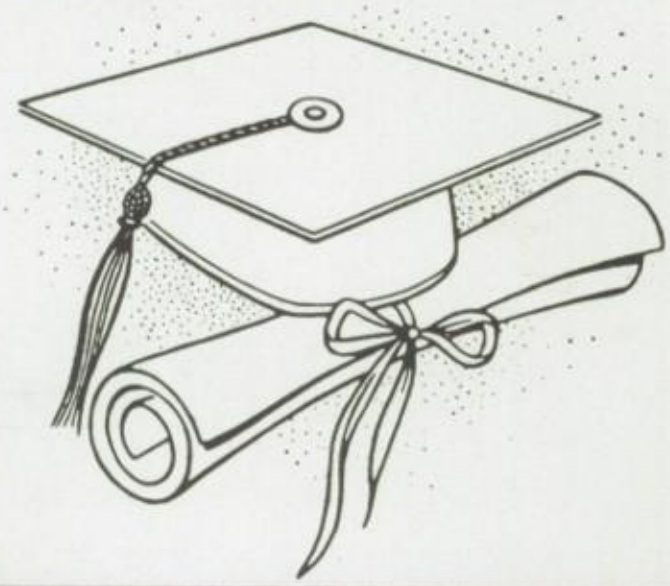
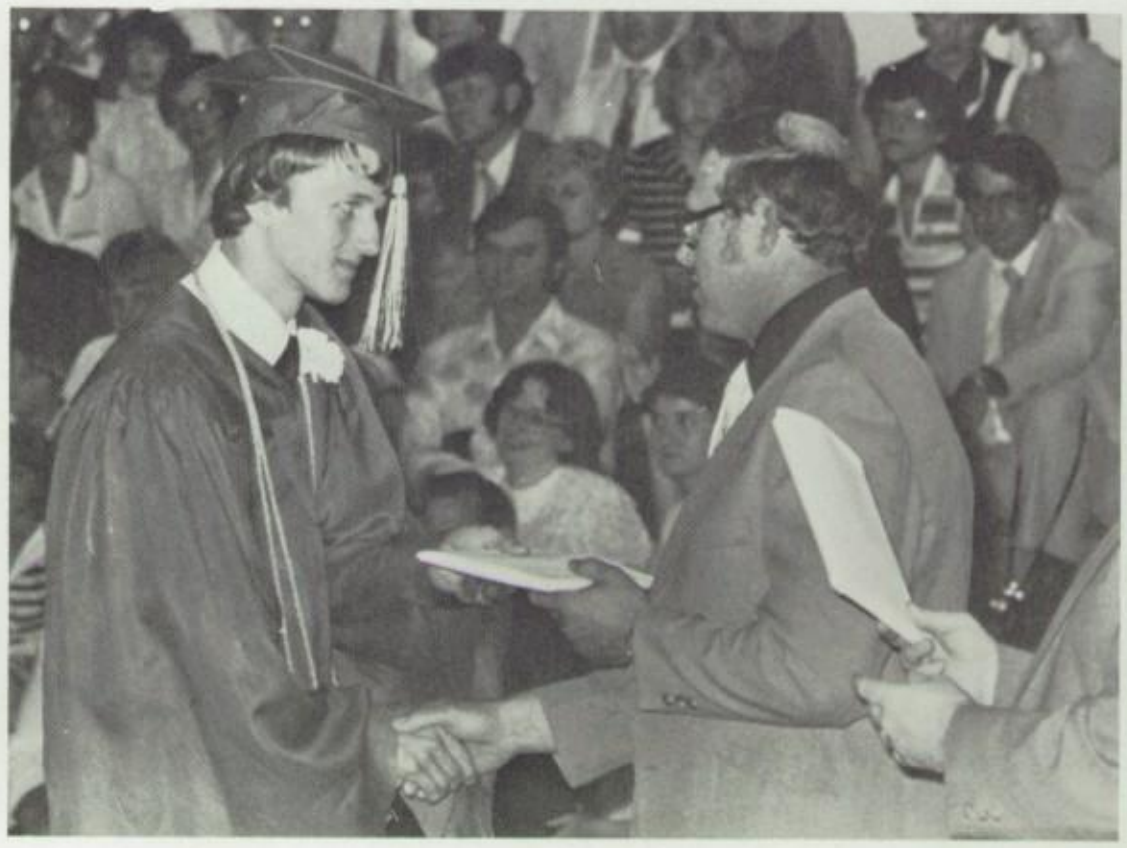
looks like we made it

Looks Like We've Made It. Graduation is the last step, the final phase in the song of our school years. As we enter the gym, we reflect on the past twelve years. Old memories bring back our very first day of school when we met most of our classmates for the first time. It seems hard to believe that we could have become so close to one another, but we have. What would our lives be like without these people? They have helped us in many ways to grow up and learn knew things.

We are jolted back to the present as Mr. Condon welcomes everyone to the 1982 Commencement Ceremonies. Luella Petitjean and Ron Stachler give speeches to the crowd, followed by an inspiring song sung by Vickie Liette. And then the big moment has come. It is time for us to receive our diplomas. We've finally made it, and as we watch our fellow classmates accepting their diplomas from Linue Lefeld, President of the School Board, we are proud. Proud of what we have accomplished in the past, and proud of what we know we will accomplish in the future. The Class of 1982 has made an impression at St. Henry Schools that will not soon be forgotten. And as we walk out of the school for the last time as Seniors at SHHS, we look back on the many memories we have of our classmates, but we also look ahead and prepare ourselves to accept the challenge that the future holds out to us.

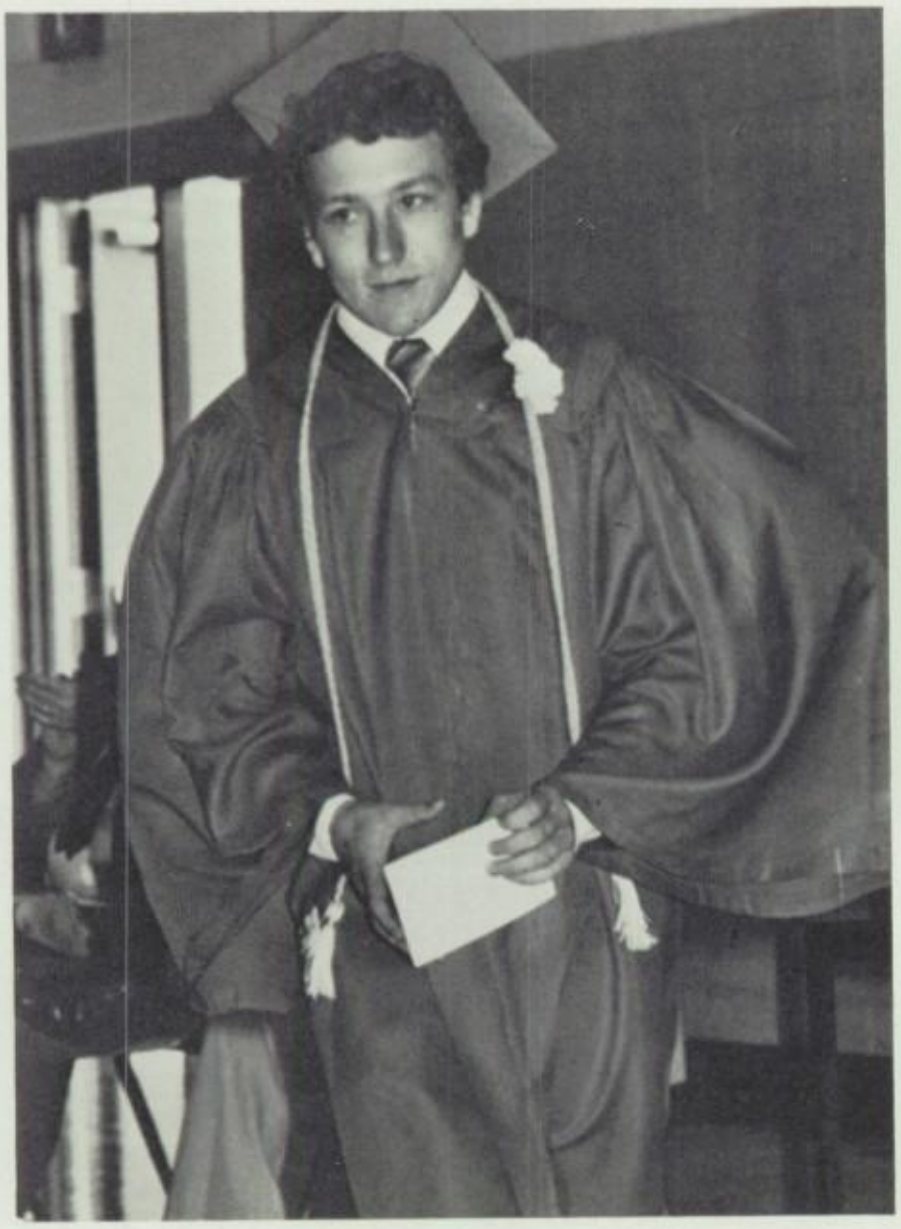




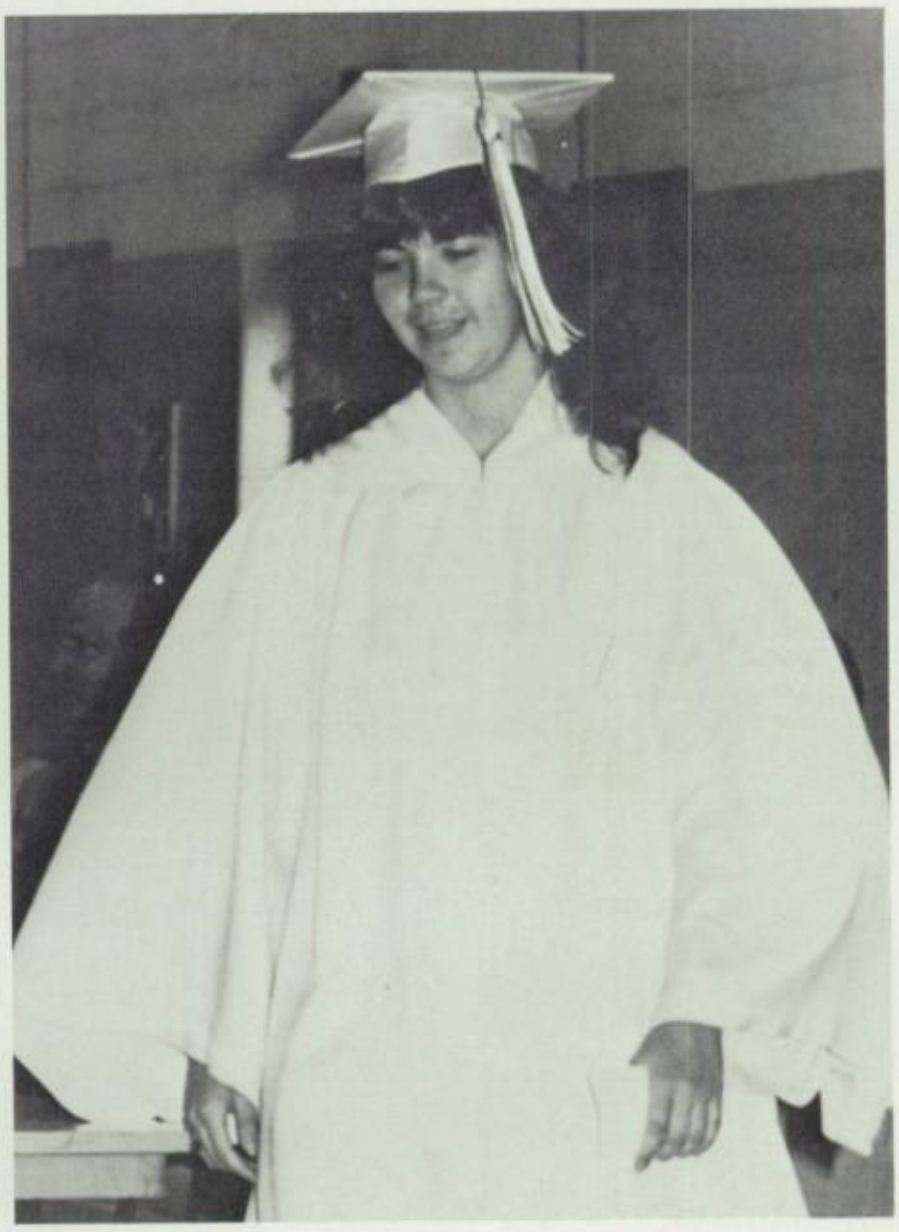
Co-Valedictorian Dale Brackman.

Vickie Liette singing "Hold On."

Co-Valedictorian Joan Rindler.



Salutatorian Ron Stachler.



Good speech, Luella

step by step

Third Step: Juniors

We have finally taken our third step in our high school years, and we only have one more step to make. One of the main things we did this year was to prepare for the Junior-Senior Prom. We also had the opportunity to begin preparing for our future by choosing whether we will go to college or what kind of career we will pursue. We have many good memories of our first three years of high school, but we are ready to become the leaders now. Next year is our big year, our final step, and we are going to make it the best one yet.

Second Step: Sophomores

The second step in your high school education is always easier than the first. Now we know what is expected of us and we try to live up to those expectations. The highlight of our year was when we received our class rings. Also, many of the students got their licenses. Accepting this responsibility was a big step for us. Being a Sophomore, we feel as though we are stuck in the middle, but we have taken a step toward bigger and better things by completing this year. We are now prepared to become upperclassmen.

step by step First Step: FRESHMEN

At the start of the '81-'82 school year we had taken a big step by completing eight years of grade school, and preparing to take another step by beginning High School. Although for the first time, in a long time, we were surrounded by new faces and things; we were not afraid. We were ready to take that big step necessary to become a High School student, by involving ourselves in the many sports and activities offered to us. Being a Freshman was rough at times, but now the big question of what High School is like has been answered. Now we are eager to take our next step, because the hardest part is behind us.

The faculty at St. Henry plays an important role in our school system. The duties of a teacher go far beyond lectures in front of a class. There is a lot of time spent preparing for class and working on outside projects. Many of the teachers are involved in extracurricular activities which enable them to work with students on a more casual basis. This is where the teacher really gets to know the student. Teachers help us to move from one song in our lives to another by giving us values and guidelines as well as making us learn to accept certain responsibilities. They have a large effect on our lives, and even though we sometimes don't appreciate the grades we receive, we know that the knowledge we gained will benefit us in the long run.

Sometimes it seems that we don't appreciate the fine jobs that the School Board, Superintendent, and Principals do. The job of the school board is not easy. They have the responsibility of making many important decisions involving the school. One of these decisions is appointing a superintendent and principals to enforce the rules they make. At SHHS superintendent, Mr. Louis Huelsman, does a really good job keeping the school system running smoothly. We also are fortunate to have three outstanding principals. In the elementary and at Burkettsville Mr. Dennis Brackman is in charge. Mr. Jim Dippold is the Middle School Principal. At the high school level Mr. Bob Condon holds the position of Principal.

The secretaries, cooks, and janitors are often taken for granted. The secretaries keep all the little things it takes to run a school properly and they also help the administration in many ways.

Without the cooks we would have no food at school. If the janitors suddenly decided to stop working, our school would begin to look like a dump. Even though many times it seems we hardly ever even see these people, they deserve a sincere thank you for all the things they do.

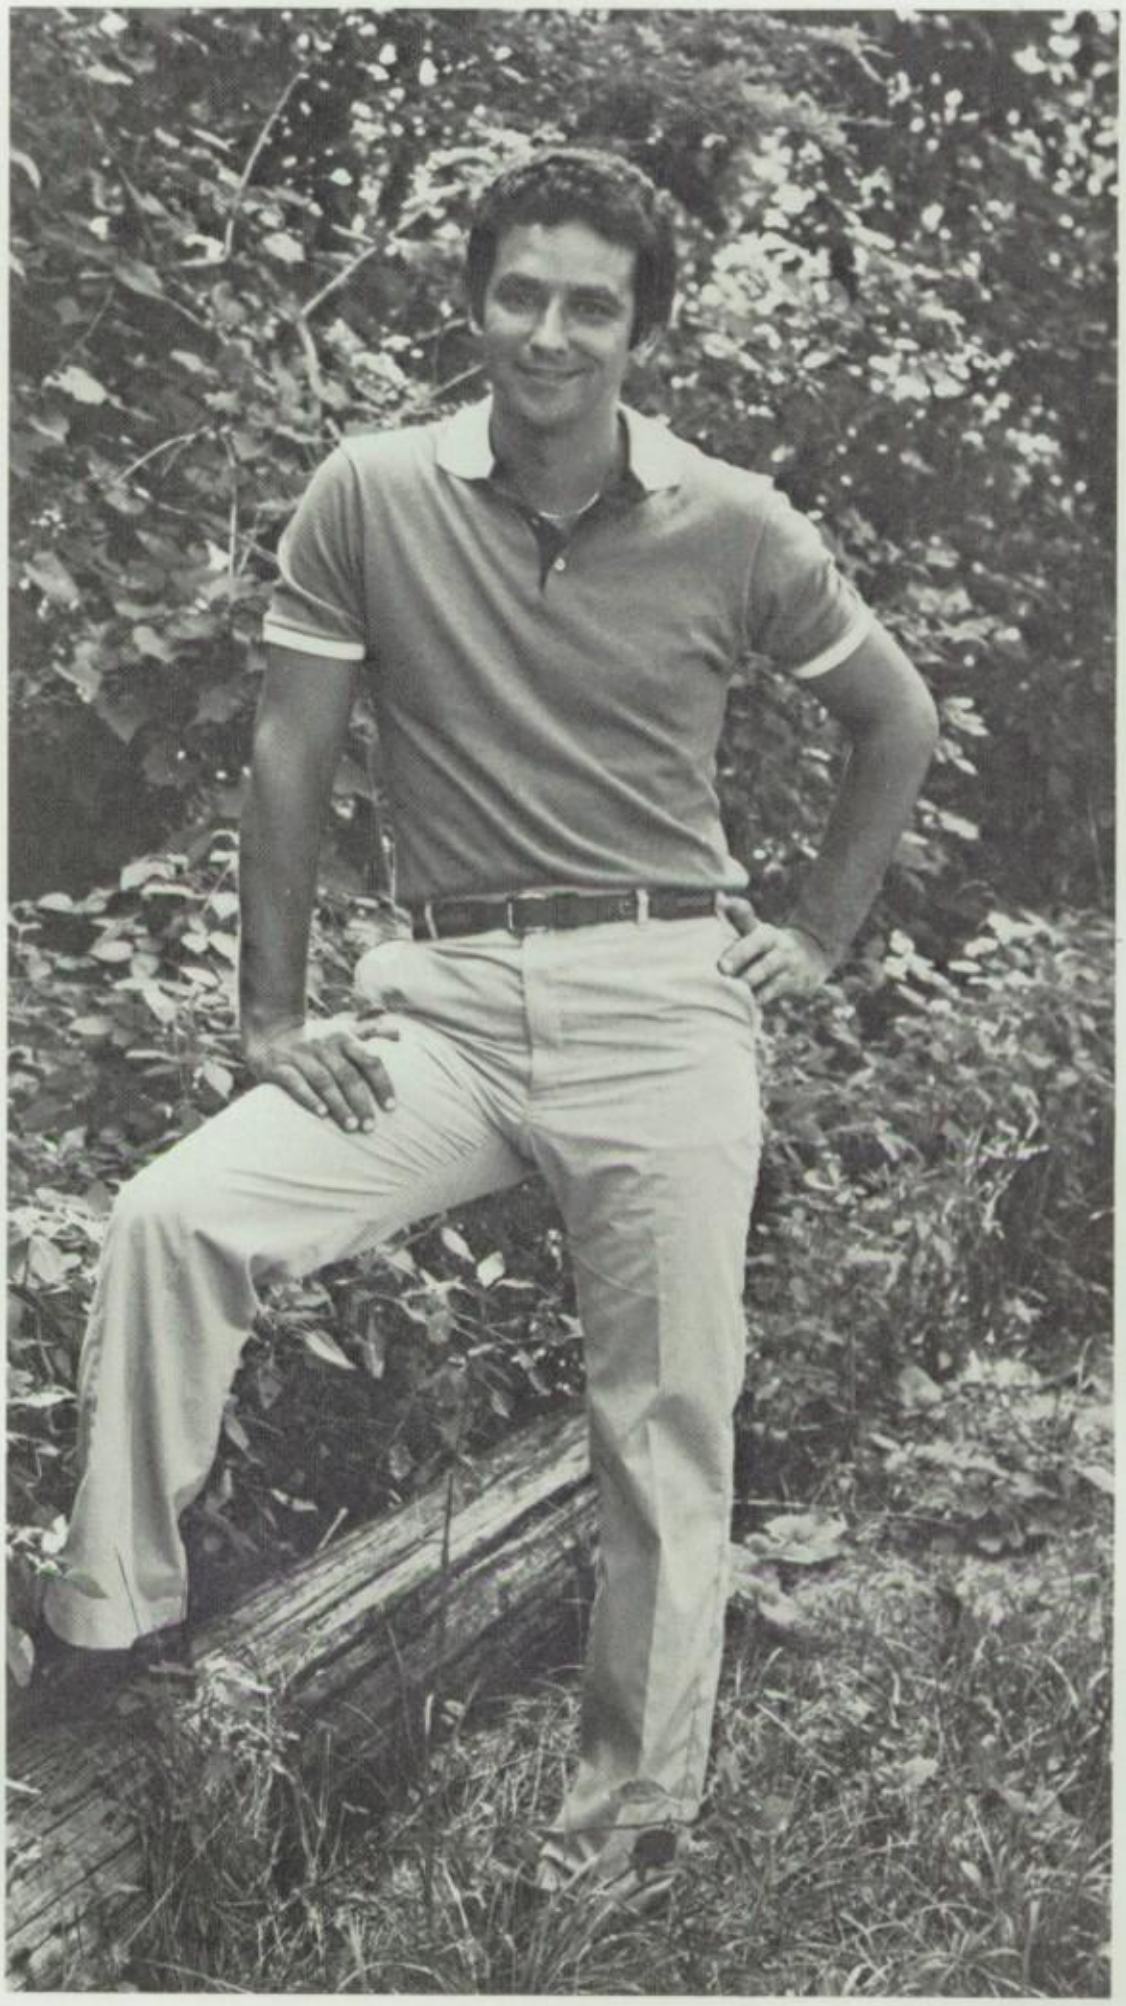
ACADEMICS

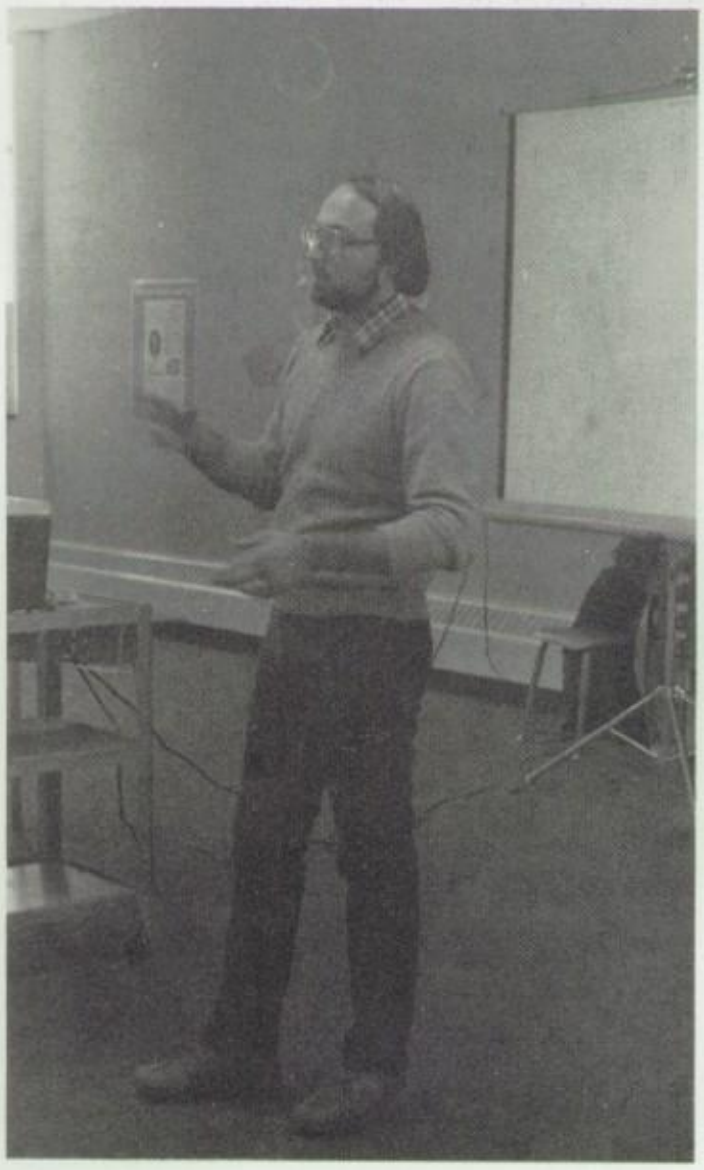
Throughout the high school years at SHHS there are many different extracurricular activities offered to the students. With all these fun things to do, it's sometimes hard to remember that the reason we go to school is to get an education. At St. Henry we are lucky to have an excellent curriculum and intelligent teachers to help us learn.

There are classes offered for every student to fit their individual needs. Whether it be college prep. classes or classes that prepare you for a job right out of high school.

Students work hard during the school year to learn and achieve good grades. It takes a lot of time and dedication to do well.



John Michael a guest speaker who wrote great poetry!

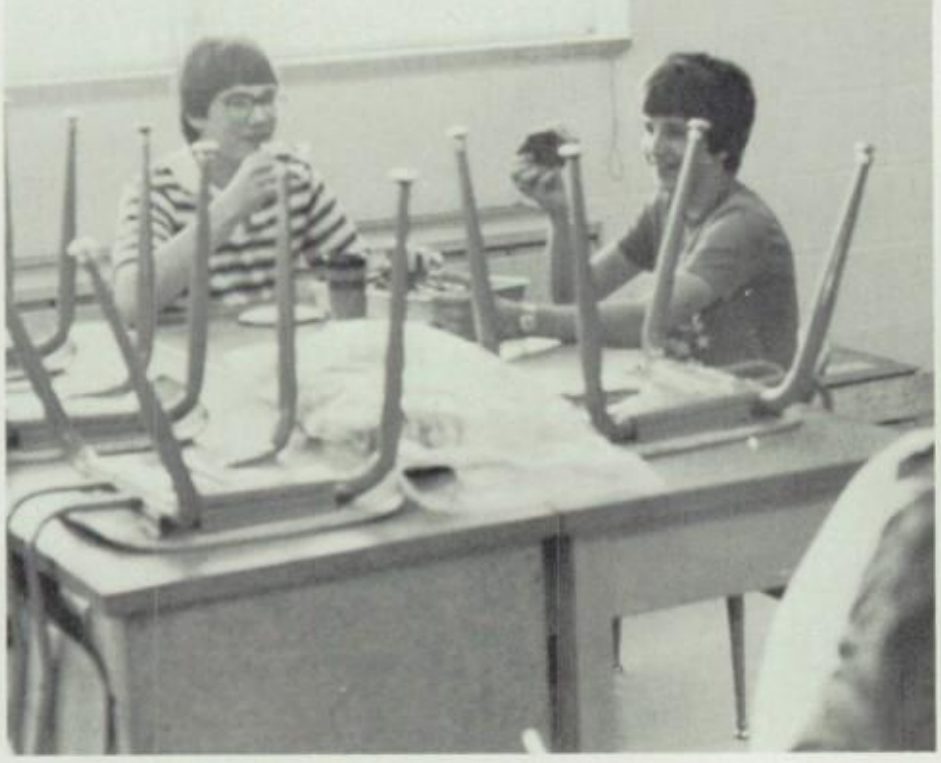


Dana Summers was a guest speaker for English classes. He is a Editorial Cartoonist for the Dayton Journal Herald.

SCIENCE

Terry hard at work??

Mr. Zink with his mouth open again!



Do you eat it???

These guys don't look to serious.

The Science courses offered at St. Henry are numerous. Everyone is required to take at least one science course in order to graduate. Most students as Freshmen take Physical Science, which is taught by Mr. Hoying. Other Science class offered throughout your high school years are; Chemistry, Physical & Earth Science, Physics, Environmental Science, Life Science, Biology, and Anatomy & Physiology. With all these courses a student should be able to find at least one of them to benefit him.

INTENSIVE OFFICE EDUCA - TION

Intensive Office Education Department of St. Henry is headed by Mr. Thompson. This year was Mrs. Bertke's first year at St. Henry. She teaches Junior IOE. Only Juniors and Seniors are offered this class and they may take it if they are interested in secretarial work or some other business-oriented job.

Does the pencil taste good, Connie?

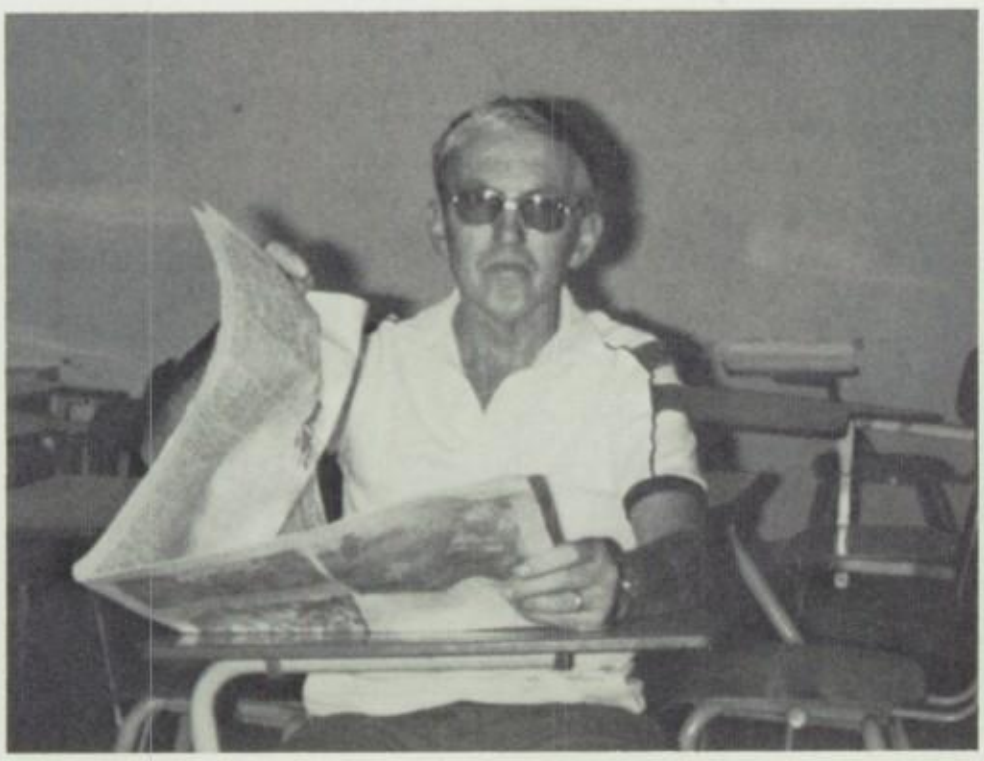
HOME ECONOMICS

Marlene Kelch busy sewing on her Home Ec project.

Home Economics class are taught by Mrs. Stammen. In these classes students learn about things that will benefit them now and in the future. The many things they learn include sewing, cooking, and child development. The knowledge they gain helps prepare them for the future when they will be on their own and running their own homes.

SOCIAL STUDIES

History, taught by Mr. Guilbault, and government, taught by Mr. Miller are two courses that a student must take in order to graduate. There are also many other courses offered to students which involve your social life or world affairs. Many of these courses, including economics, sociology, and world history are taught by Mr. Miller.



Learn anything new, Mr. Miller?

Looks like a Monday morning!

INDUSTRIAL ARTS

Doug's pride and joy!

In the Industrial Arts Club the students learn how to make things varying from a lamp to a bed. Each year the students are able to show their projects to the public at the annual Industrial Arts show. The club is advised by both Mr. Leist and Mr. Ransbottom. This year the members went to the State Convention in Columbus and visitied Wright State.

Watch your fingers Tom.

ANATOMY & PHYSIOLOGY

Have you ever wondered just how your body works? Well so did the Anatomy students and to find out they each dissected a cat! Little by little and piece by piece they learned how their body works and what each part is called. By the end of the year the students were able to describe the human body and how it works.

Band

Being in band takes a lot of time and dedication. The year begins with band camp which prepares the students for parades and contests. Some parades they participated in were the Fireman's Convention, Celina Lake Festival, and the Oktoberfest. They provide halftime entertainment at all the football games during the fall. Also, they gave many performances at fairs, one which includes the Darke County Fair Contest in which they received a Superior Rating. Receiving an Excellent Rating at Marion Band Contest ended the successful marching band season.

The winter band concert is presented at the beginning of concert band season. After this concert they prepared and worked many long hours for the District Contest where they received an Excellent Rating. Some students participated in All-County band which was held at St. Henry this year. We were honored to have Dr. Earle Louder as the head director. Congratulations to Sara Studebaker and to the band members on a Excellent season.

CHOIR

Vickie Liette student directing.

The St. Henry High School Choir has been very active this past year. This is the choir's third year under the direction of Mrs. Elaine Meyer. The choir was involved in six school concerts and assemblies, as well as banquets and other community activities. Members of the H.S. Choir were selected to participate in the "new" county choir (which was held at St. Henry this year) and the honorable district choir. Choir members also did outstandingly well at solo & ensemble contest where everyone received superior and excellent ratings. The choir was assisted by the student director — Vickie Liette; the officers; and the accompanists — Charlotte Huelsman, Theresa Schulze, and Diane Schulze. The National Choral Award and the Cecilia Award were received by Vickie Liette.

The **Future Farmers of America Club**, advised by Mr. Broering, helps Vocational Agriculture students prepare for their future occupations by teaching them about new methods of farming. At the annual banquet held in honor of the members, Vickie Liette received the honor of being named the year's FFA Queen.

The **Future Homemakers of America Club** started out their year with the initiation of incoming Freshman. Through the year they sold cookbooks and had bake sales to raise money. At the meetings, held once a month, they had many guest speakers to teach them the latest in the homemaking field. Mrs. Stammen, the advisor, makes the club a great success by helping the members prepare for their futures.

NATIONAL HONOR SOCIETY

The National Honor Society is a select group of Juniors and Seniors who have achieved a grade point average of 3.0 or better. They are selected by the teachers on their Leadership, Scholarship, Service, and Character. This year they put up Christmas decorations in the school, and welcomed new members into the club at the annual Induction ceremonies to which the parents were invited. The advisor of the National Honor Society is Mr. William Tremper.

STUDENT COUNCIL

Members of the Student Council are selected to represent their class by their fellow classmates. This year they participated in student exchanges with other area schools. This helped the students realize some of the problems in our own school. Another responsibility the Student Council has is preparing for the Homecoming weekend and planning assemblies. The advisor this year was Mr. Robert Condon.

O.E.A.

The Office Education Association is a Nationally organized club whose membership is limited to only those students who have taken Intensive Office Education courses in high school. The skills which the girls learn in I.O.E. are used when they participate in O.E.A. contests at Regional, State, and National levels. This year several of the members advanced to the National competition, where Luella Petitjean received 3rd place for her Free Enterprise Project, and Lisa Langenkamp was awarded 1st place for her Job Manual. The National Convention, where the many projects were judged, was held in Nashville, Tennessee. A group of O.E.A. members, along with their advisor, Mr. Thompson, attended it.

Besides competing in contests, members of O.E.A. also organize many money-making projects, such as bake sales, and paper drives. They also prepare programs for basketball and football games, and have an annual smorgasborg.

Donkey Basketball

Donkeys aren't used in the game of basketball, right? Wrong! They are used in the game when the participants are the Senior boys and the Faculty of St. Henry High School.

The first Donkey Basketball Game in the history of the school took place this year, and it was a game that will long be remembered. The Seniors soundly defeated the faculty by a score of 22 to 10. Everyone seemed to have fun during the entire game.

It was sponsored by the cheerleaders to raise money for future projects.

On a scale of 1 to 10,???

Where's the ball at, guys?

Hang on!

Taking the donkey for a walk?

Weren't those donkeys potty-trained?

Deep concentration.

A team effort.

4 raving beauties.

PowderPuff Football

What? Girls playing football?! That seemed to be the reaction of many of the spectators at the first Powder Puff Football Game ever played at St. Henry High School. When the teams, composed of St. Henry O.E.A. girls and Coldwater O.E.A. girls, ran onto the football field for the first time, everyone knew that this was going to be something unusual. Although the St. Henry girls tried their best, they could not beat the tough Coldwater squad.

The St. Henry team was coached by Robert Thompson and Mary Ann Bertke, and was encouraged by four beautiful cheerleaders and an enthusiastic crowd. Everyone enjoyed the game, and it raised $400.00 for the Special Olympics.

Leader of the pack.

This years Pep Club was a big improvement from last years. The team gained two mascots who helped get the Pep Club members and other fans "rowdy". These mascots were Jeff Hart and Fred Lange. With the help of these guys the crowd supported their team and in return the basketball players ended up with a great season!

We the yearbook editors would like to thank many people who helped us in our time of need. These people include all the merchants who bought ads. Without these people to support we would not be able to produce a book every year. A big thanks goes to Mrs. Bertke who, with her years of experience, helped pull us out of jams more than once. We would also like to thank our adviser Mr. Jim Leist, Mr. Condon and anybody else who gave us their time and guidance. Not to go unmentioned is the yearbook staff themselves who with their dedication helped complete this book. Thanks Again!!

the stroke

The golf team began the season with strong stroking as they won many of their first meets. The Varsity Squad was lead by senior Dale Brackman and junior Mark Steinbrunner. Throughout the season they continued playing quite well as they collected many more victories. They stroked their way to the County championship and a fifth place Sectional finish. The team was coached by John Bruns. Mark Steinbrunner was chosen as the Most Valuable Player and Dale Brackman was chosen as the Most Improved Player. They finished the season stroking out a 33-11 record.

Now where did that ball go?

Mike and Mark showing their deep concentration.

I think it's a hole in one!

The Cross Country season began in the long run as the participants went through many grueling practices, piling up miles upon miles of running. All of this work paid off though in the first meet of the season, when the team took the runners-up trophy at the Celina Invitational. As the season progressed, the team members did too, both physically and mentally. Coach Gary Bertoline was always ready to help the team through the tough season.

The team was led this year by Senior Kevin Tumbusch. Other seniors, who will be missed greatly next year, are Tom Hemmelgarn, Curt Rindler, and Dave Evers.

This was the first year for a girls team at St. Henry, but they really showed the strength and stamina that it takes to run Cross Country.

This season was not the best ever, but it brought the team closer together as they worked toward achievement in the long run.

let's get physical

The St. Henry Redskins Football team got physical as they shutout their first four opponents to tie the old school record of most shut-outs in a season. John Bornhorst, a junior on the team, seemed to be the most physical as he set a new school record for most tackles in one season. This year's Seniors led the team as Jerry Stahl, Ken Staugler, Chris Dippold, and Gary Hoying made All-league. Jerry Stahl also received All-Ohio first team honors and was nominated to represent region nine in the North-South All-Star game. Senior Pat Klenke suffered an injury about mid-season, but was honored as the team's leading scorer.

At the awards banquet held each year to recognize the team's outstanding players Jerry Stahl received the Most Valuable Player award, Pat Klenke, the Kent Rehm award, and Gary Hoying, the Most Improved Player award.

This was Tim Boekman's first year as Head Coach at St. Henry. The team under his leadership finished the season with a fine 6-4 record. Although Coach Boeckman will be losing many seniors, next year's team will be ready to come back and "Get Physical!"

The 1981-82 Basketball Team had a super season. They made it to the Regional finals by playing as a team and working together.

This year the basketball team gained two mascots, Jeff Hart and Fred Lange. They got the crowd involved to help get the guys psyched. As tournament time got closer the excitement of the fans became more intense. They showed up at games dressed in red & white, painted faces, and strong voices. This was much appreciated by the players.

Delphos Saint John was the team that ended the season for the Redskins. This year the team will be losing four seniors who contributed a lot and will be greatly missed.

Thanks for a great season coach and guys.

GIRLS BASKETBALL

Varsity Kim Guilbault, Marcia Jutte, Linda Goettemoeller, Gail Frilling, Sheila Lange, Marge Koesters, Theresa Schmit, Lucy Sutter, Sharon Kremer, Connie Broerman.

The girls varsity basketball team ended 4-16 on the season. They were again coached by Marv Wourms. John Bruns was added to the coaching staff in which he coached the junior varsity to a 10-7 season.

The girls team was faced with many minor and major injuries. With the loss of two out of the three seniors on the team, the underclassmen had the opportunity to show their skills.

Kim Guilbault, a sophomore, was selected for **Honorable Mention** in the M.A.C.. Sharon Kremer was voted **Most Improved Player.** Gail Frilling was chosen for **Best Defensive Player,** and Connie Broerman was selected as **Most Valuable Player.** All three awards were chosen by the team members.

With the experience the underclassmen gained, the girls high school program should prove to be successful.

Cheerleaders are leaders and representatives of St. Henry High. They lead the school in spirit and also plan and organize pep sessions and spirit days. Signs are hung throughout the school, in the gym, on lockers and on buses. A lot of the school mood is set by the cheerleaders. This year is the first year for the cheerleaders to make scrapbooks for the Senior basketball players. The junior varsity cheerleader captain this year was Kim Guilbault and the varsity captain was Vickie Liette. The cheerleaders at St. Henry do a very good job and we hope they continue to be as helpful as they have been. The advisor is Mrs. Stammen.

just between you and me

The Homecoming weekend was full of excitement and preparations for everyone. The preparations began early in the week with students getting together to decorate floats for the annual Homecoming parade held on Friday night. Each class and a few of the school clubs participated in it. The St. Henry Marching Band added some spirit and excitement throughout the parade by playing the School Song. The parade ended at the football field where the winning float was chosen. The Junior Class won the honors.

Following this the 1981 Homecoming Court was announced by the Masters of Ceremonies, Mary Bruns and Ron Stachler. Each of the girls in the Court represented her respective class. The Senior attendants included Sharon Kremer, Vicki Liette, Barb Knapke, and Queen of the Homecoming festivities, Karen Gelhaus. Karen was crowned by last year's Queen, Bonnie Gelhaus. After the crowning the Redskin's football team added excitement and topped off the evening by defeating the Minster Wildcats by a score of 14-9.

T-shirt and jeans at Homecoming?!

"Just Between You And Me" was the theme of this year's Homecoming Dance. The dance was held in the high school gym on Saturday night, October 4th. Beautiful decorations to fit the mood of the evening were provided by the Student Council. The decorations were red and white in accordance with our school colors.

Time seemed to race by as "disco Z" provided music. Everyone had a really good time dancing to the beat of some of their favorite tunes. During the dance Queen Karen and her Court were asked to come to the front of the gym. Karen received her Royal Kiss from Neil Siefring, and then the rest of the Court got in on the fun too as they received kisses from their escorts.

The dance ended all too soon, and everyone left to go to other parties. Another Homecoming weekend had come and gone on a successful note. As we look back on the weekend all we have left are pictures, wilted flowers, and and remains of decorations to help us relive the special memories of one of the best times we had at SHHS.

. . . who needs tomorrow?

One of the many decorations at Prom.

A lot of hard work is done by the Junior class in order to create a good Prom. The students spend a lot of time getting decorations ready, covering tables, and making sure the dance will be a success. This year preparations began on Wednesday night and weren't completed until Saturday morning. There was a lot of hard work done by everyone.

The theme that the Juniors chose for this year's Prom, held on May 1st, was "We've Got Tonight". The high school gym, where the dance was held, was decorated so well that it almost looked like a ballroom, which was very fitting for so formal a dance. The doors opened at 8:30 and everyone began dancing to the beat of the music provided by the band, Crossroads. During the dance the Prom Court was announced. The Queen, Sharon Kremer and the King, Pat Klenke, were crowned by the Junior class Officers. The Royal Kiss was exchanged and pictures were taken before everyone returned to the dance floor. When the dance was over everyone knew it had been a success, but there was still more excitement to come at the After-Prom this year was sponsored by various St. Henry merchants, and was held at the K of C Hall. Music was provided by "Disco Z" and everyone had a good time dancing to the beat of their favorite tunes. Senior Sucker Awards were read by the Class Clowns, Tom Hemmelgarn and Janel Evers. At 3:00 the party was over and everyone left to either go home, or go to other parties and out to eat breakfast.

The whole night was a big success, and though we as Seniors will probably never go to another Prom, we will always look back and reflect on the good times we had at the 1982 Junior-Senior Prom at SHHS.

Kevin is the twinkle in Dave's eye.

Vicki Liette, who was this year's FFA Queen, was honored at the FFA Banquet. She was chosen from the senior class by the FFA members. Everyone would like to congratulate her on her special honor.

rossburg rock

Every year the senior class votes on a candidate for Rossburg-Rock. This year's candidate was Cindy Bernard. Her campaign manager was Ron Stachler. All the seniors were invited to vote on the candidate from their school for Queen of Rossburg-Rock. It was held on April 30, 1982.
